or

Editing and restoration services for consumer & small business is our specialty. We offer most of the same services as larger studios including video editing, colour correction, music insertion or replacement and much more. Let us help you make your audio and video everything you dreamed it should be.

Editing & Restoration

If you don't know which service you require please contact us and describe what you want and we will help you understand what you need.

Add 6% GST for all orders within Canada

Video or Audio Editing	\$120.00 per hour (billed in 15 minute increments)
Most Requested Services	Colour Correction - Adjustment of colour, brightness, contrast, etc.
	Pan, Zoom & Crop - Movement of the video

Testimonials & Examples

"I was pleasantly surprised to find this type of video editing services at these reasonable prices, as I had been told by a friend in the television industry that they either didn't exist or would be extremely costly. The

communication with Digital Improvements from my initial inquiry to the final deliverable was always prompt and professional. I especially liked the sample image provided online that showed the various stages of edited improvement and their associated cost. The work was done in a timely manner and the results were great! I would certainly recommend Digital Improvements to anyone looking to edit or enhance their videos."
