communication with Digital Improvements from my initial inquiry to the final deliverable was always prompt and professional. I especially liked the sample image provided online that showed the various stages of edited improvement and their associated cost. The work was done in a timely manner and the results were great! I would certainly recommend Digital Improvements to anyone looking to edit or enhance their videos."

"We really appreciated all the work you did for our wedding video. The picture quality and the sound were incredible considering it was a friend that taped our wedding. The prices were very good, we had called around to many places in Toronto, Digital Improvements was the best! We appreciate the extra copies and the quick
